Postcards from Ballarat

Oprah day

HUNDREDS of people have joined the push for billionaire television star Oprah Winfrey to visit Ballarat when she arrives in Victoria later this year.

But many people are wondering why she should come to Ballarat or what she could do when she arrives. Will she pan for gold at Sovereign Hill? Will she put her fitness to the test around Lake Wendouree against Mona?

As you can see, there's plenty of things for Oprah to do if she includes Ballarat in her itinerary.

Join Ballarat push to persuade Oprah to visit by following the link at thecourier.com.au.
