

Instrumental Teachers Pass Royal South Street Society 2011

We are delighted that your students are able to participate in our Instrumental discipline this year.

Appropriate staff passes will be prepared in advance for staff accompanying your students to our competition and these can be collected on your arrival from the Registration desk (located in the Green Room) under your school's name. Please remember to ask for them. All teachers must wear these passes backstage and in the audience at all times while at the Theatre so they can be identified. Please hand the passes back to the office located in Lucky's Foyer when you depart.

To avoid embarrassment and ensure the passes are pre-prepared, it is essential you complete and return the form below by, **Friday 12th August 2011.**

Yours sincerely,

Brian McInnis
